assourav@ntu.edu.sg

My research expertise is in **data management, human-data interaction, and data analytics**. I am best known for my contributions to human-centered data management and computational conflict-of-interest (COI) management.

from
Nanyang Technological University

My research interests are **multi-area** (e.g., data management and HCI) and **multi-disciplinary** (e.g., psychology and data-centric computing, education and data management) in flavor.

RESEARCH

Human-data Interaction

I have published 315 papers out of which more than **137** are in **top-tier** venues.

Data Analytics

Data Science

Data Management

Pioneered bridging data management, HCI, and psychology

Practical impact with tools for data management education

Practical impact with data-driven conflicts of interest management

I am currently working on 7 research projects that are based in my lab.

CURRENT SERVICE

SELECTED AWARDS AND HONORS

Research Service Teaching

9/2025 Dist. Reviewer Award (VLDB)
3/2025 Dist. AE Award (EDBT)

8/2023 Dist. Reviewer Award (VLDB)
3/2023 Dist. AE Award (SIGMOD)

9/2022 Dist. AE Award (VLDB)
4/2022 SIGMOD Res. Highlights Award

8/2021 Best Paper Award (VLDB)
3/2021 SIGMOD 2021 Dist. AE Award

12/2020 ACM Dist. Member

5/2020 Dist. Reviewer Award (VLDB)

8/2018 VLDB Service Award

6/2015 Best of ACM SIGMOD

8/2011 Best Paper Award (BCB)

10/2005 Nom. for Teaching Excellence

10/2004 Best Paper Award (CIKM)

4/2004 Nom. for Teaching Excellence

10/2003 Lecturer of the Year Award

1/2003 Nom. for Teaching Excellence
