

16 Nov 2016

Congratulations to the newly-minted Dr Tan Yu Qian for the successful defence of her PhD thesis "Bioconjugation of Triosmium Carbonyl Clusters"! [\[Read more\]](#)

15 Aug 2016

The "boss" is featured in the [Straits Times](#).

2 Aug 2016

Congratulations to Shirley, Yongjia, Yingzhou and Wei Xiang on their convocation. [\[Read more\]](#)

8 Mar 2016

Congratulations to Eric Shim - his first publication with the group has been accepted in Dalton Transactions! It is also the first time in NTU that we have the work of a group member published while he is still an undergraduate. Check out the group publications.

7 Mar 2016

Congratulations to Yongjia - her first paper has finally been accepted! Check out the group publications.
