25 Aug 2020

Two publications from the work of undergraduates were accepted for publication today! Congratulations to Shihe (Vincent, publication #203) and Xianqi (publication #202).

24 Jul 2020

Our 200th research work has been accepted for publication today! This paper is dedicated to the late Professor Arne Holmgren of the Karolinska Institutet; a very fine gentleman and scientist.

24 Jul 2020

Amid the covid-19 pandemic, we bid farewell to Professor H el ene Bertrand as she and her family heads back to France. Dr Chandan kr Barik has also left us for greener pastures some short distance East of us, Andrea headed back to Spain, and a number of undergraduates (Xian Qi, Eunice and Chester) have graduated!

27 Feb 2020
Group dinner at Putien, JP.

Jan 2020
A belated congratulations to H el ene on the birth of her younger daughter Ariane in Nov 2019!
