

1 Sep 2023

Congratulations to Zhen Xuan for winning a poster prize at the QSCC 2023 which was held on 30 Aug to 1 Sep!

14 Aug 2023

Congratulations to Zhen Xuan on being awarded an A*STAR graduate scholarship! He will be working on artificial metalloenzymes, and is likely to work with a number of different groups in A*STAR and a number of countries...

13 Jan 2023

We have a Merlion PhD award for Teresa! She is on a joint NTU-Sorbonne Universite PhD programme, co-supervised by Professor Helene Bertrand and me. With this award, she can now stay in Paris without financial worries!
