

17 Dec 2024

This is probably the most important paper (#212) to me. It is primarily the hard work of Kumaran, an ex-graduate student who returned after so many years as a PDF. Wish Pom was still alive to read it! :(

25 Nov 2024

Congratulations to Liang Xin on her first publication from the group! This is the group's publication in 2 years, number 211.

5 Jul 2024

Dinner with Guizhu at her home. Hard to believe that it has been some 23 years since she graduated as my first PhD student!

25 Jun 2024

A rare occasion: Our group lunch - in Paris!
