Tell taxi to go to NTU Student Service Center
(Student Service Center's address is 42 Nanyang Avenue, if search by GPS)
See the traffic circle, go up hill

If a taxi driver asks to go via PIE and Jalan Bahar or AYE and Pioneer north, either is fine
Jalan Bahar gate is slightly farther but less traffic

Before reaching NTU Student Service Center, tell taxi to turn right (the same way to <u>child care</u>) and then stop.
